SUBJECT: UAE WILL ENDORSE BAN ON ALL HUMAN CLONING

REF: ABU DHABI 3127

¶1. (U) Local press reported that after attending a meeting last week in Paris organized by a special committee affiliated with WHO and UNESCO to discuss human cloning, Ministry of Health Assistant Undersecretary for Curative Medicine Dr. Abdul Ghaffar Al-Hawi stated that the UAE would support a ban on all human cloning. The UAE's position would extend the prohibition to all laboratory experiments related to genetic research.

¶2. (SBU) Comment: Al-Hawi's public statement indicates that the UAE should support the Costa Rican

resolution in the UNGA, as the MFA told us in reftel.  
End comment.
